

Hello Brothers and Sisters,

I have attached the 11 page summary of the tentative agreement. I will attend an explanation meeting tomorrow and there is a town hall call tomorrow evening to discuss the contract. If your tour starts after 5:00p.m. Tuesday then you return to work on that tour. If you have any questions you need to be excused from work on Wednesday then you should be able to communicate with your supervisor tomorrow after 12:00p.m. because all the scabs will be gone and all the scab supervisors that came back to work after being rif will be gone. We will be scheduling a meeting soon to discuss the contract and will be doing ballots soon as well. These details will be made available as soon as we have them. There is also a link on the website.
